Quickweigh Series

Stainless Steel Pallet Truck Scale

The Quickweigh series **pallet truck scale** provides easy verification of incoming and outgoing shipments. Flexibility is provided which allows weighment at the working station instead of taking products away to a remote scale for weighment, significantly reducing processing time.

FEATURES:

- stainless steel construction.
- 4 sealed stainless steel load cells.
- Suitable for food, chemical and pharmaceutical industries.
- Large 6 digit LCD display.
- Rechargeable battery and external plug in charger.
- The Quickweigh series was designed as a scale. (Not a pallet truck retrofit.)

SPECIFICATIONS:

Capacity - 2500 kg / 5000 lb.
Graduation - .5kg / 1 lb.
Weighing accuracy - +/- .1%
Wheel construction - Nylon
Fork length - 1220 mm / 48.0 in.
Fork width - 700 mm / 27.6 in.
